## ABOUT NICE WITCHES

We are Anni and Mella,  
we are really close friends since High School.  
We got married too young, and now we are single, they used to  
call us witches but we believe we are really nice.  
Now we live together and our garden it's just too big to not share  
it with everyone!  
Come and visit us and if you need beautiful flowers.

Go up!
