

PROYECTO 1.
FINAL DISEÑO WEB
PRODUCTO: CEBOLLA (onion)
Lois S Dilloné

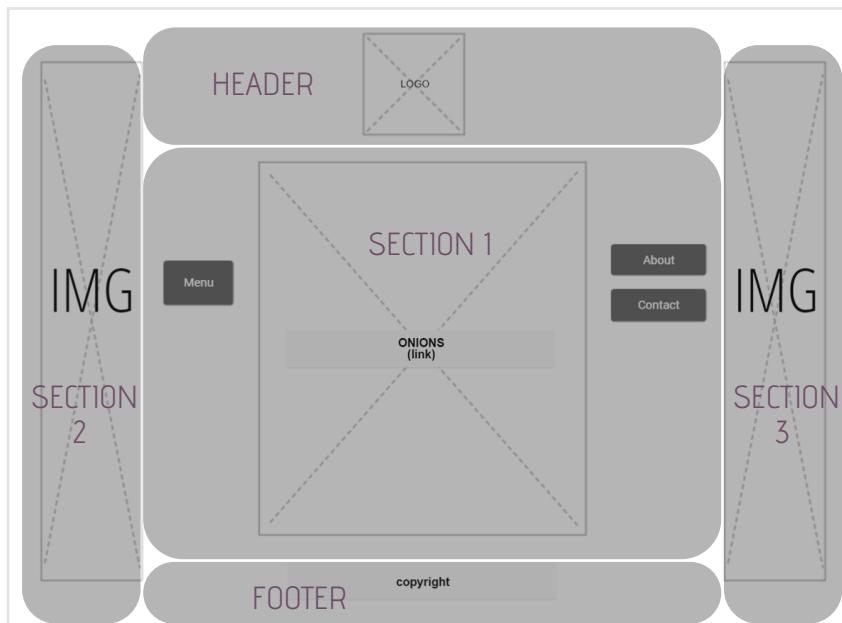

PROYECTO 1.

Para este proyecto utilizaré la cebolla como el producto principal de mi página web, la cual se trata de un restaurante vegetariano llamado Veggie Monsters. Este restaurante tiene una oferta del mes con aros de cebolla.
La página estará en inglés.

This concept features a yellow header bar with the logo. Below it is a white main area containing a central box with the text "ONION RINGS!" and "Try the best Onion Rings in Town!". To the left is a green monster character with a single eye and a wide mouth, labeled "w". To the right is a purple monster character with two eyes and a small tuft of hair, labeled "v". Navigation links for "Menu", "About", and "Contact" are located at the top right. A copyright notice at the bottom reads "© Veggie MONSTERS & Lois Santos D".

Veggie
MONSTERS

We are a small vegetarian restaurant that really likes Monsters. They prefer veggies just like we do! Open since 2011, we bring new flavors and options to vegetarians. We offer fresh veggies and unique cuisine to our patrons. -No matter how scary they look!
